

# Better hires. Less time.

Workstream helps you find enthusiastic employees and get them in the door FAST. The world's biggest brands use Workstream to reduce ghosting, automate follow-ups, and streamline onboarding. Think of us as your secret weapon in the war for talent.

**70%** REDUCTION IN TIME TO HIRE

**4x** NUMBER OF APPLICANTS

**18** JOB BOARDS WITH 1-CLICK

## 1 Job Posting & Tracking

Do you find yourself copying and pasting job descriptions to multiple job boards? We integrate with top job sites so you can post to multiple instantly. View all applicants in one dashboard.

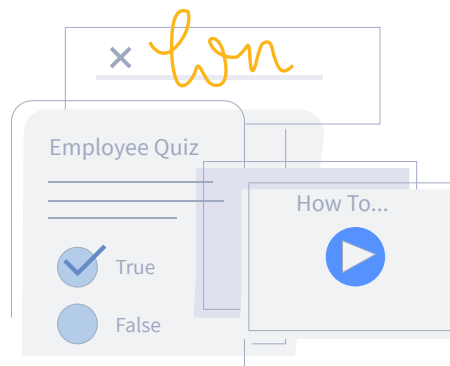

## 2 SMS Text to Schedule

Automate SMS follow-ups to engage applicants before everyone else. Send screening questions to qualify candidates. Use 2-way texting to schedule interviews.

## 3 Paperless Onboarding

Ensure all new hires are set up for success. When you're ready to move ahead, we text links to offer letters, forms, training materials. Use our templates or create your own.

“Ghosting was a huge problem and we weren’t getting enough good people. Now we get 4x as many applicants with Workstream.”

–Dusty Pyne

“We are hiring for over 300 positions for the festival using Workstream. The texting and automation saves a ton of time - it's so lovely!”

–Jamala Roux

“I love that applicants can schedule – reschedule- and cancel- their own interviews. It saves me SO MUCH TIME.”

–Tara Lindstorm

“Getting well-trained drivers is of great importance to us. Within the first month of using Workstream, we received 1,400 applicants and we cut our screening time in half.”

–John Zinno
